A Complete Fabric Story

The Elite Edition brings together fourteen thoughtfully curated catalogues, each crafted to inspire modern living. From timeless textures to contemporary weaves, this collection offers a versatile range of fabrics designed for beautiful, functional and long-lasting spaces.

- Mostly dyed and plain, texture-based fabric collection
- Recycled yarn and natural yarn used across the fabrics
- 14 catalogues available in this edition
- Mostly 300 to 500 heavy GSM qualities
- Earthy and mild tones for a rich, classy look
- Vibrant and colorful designs for modern interior combinations
